

Stop Motion Muse

Animation, One Frame at a Time

Stop Motion Classes

Master the art of stop motion in our immersive 2-week classes. Whether you're an aspiring filmmaker or just seeking a fun activity or new hobby, our classes are great for those of all skill levels and ages.

Benefits:

- Learn from industry professionals: Our instructors are experts in their craft, each bringing years of experience with stop motion animation to the table. They will guide you through each step of the process.
- Explore varied techniques: A diverse range of styles are covered in our stop motion classes. This will allow you to express yourself in a way best suited to you.
- Encourage creativity and teamwork: Join forces with fellow students to develop ideas and bring them to life through the powers of teamwork and animation.
- Learn Hands-On: Gain experience using professional equipment and software. Learn practical skills that can be applied to your own endeavors.
